

# How to Read a Route Page...

● Direction of street when appropriate.

● The street name. This may include specific numbers, blocks, even, odd, elementary, and/or secondary when appropriate.

● The school district for each street or section denoted.

● The bus your student will ride to school in the morning. NTS = Non Transportable Students.

● The scheduled time for pick up in the morning. Be at the stop five (5) minutes early.

● The elementary take home bus when different than the morning pick up.

● The bus your middle or high school student will ride to and

from the appropriate elementary school.
